BUTTERFLY TALK WITH GRAZYNA TONKIEL

Saturday, April 28, 2:00 – 3:00 pm, Lebovic Room

Butterflies are the most loved of all insects. Their undeniable beauty and the mystery of metamorphosis has long captivated the imagination of artists and writers, becoming universal symbols of beauty, freedom and transformation.

Grazyna Tonkiel is an artist who specializes in intricate drawings of the butterfly in art pencil and gold leaf. She is also an international expert on the lives and habits of the butterfly, which she has learned to breed in her garden in King City.

Join Grazyna for a talk on the habitats, breeding and conservation of the butterfly. With tips on how to bring the beauty of this delicate creature into your own garden, as well as learning about the place of the butterfly in our ecological environment, this presentation is the perfect prelude to a beautiful summer season.

Free tickets available online at aurorapl.ca.
